

Ahmed Elmakrini

Frontend Developer — HTML, CSS & JavaScript

+212 670 848 989 — aelmakrini2003@gmail.com — Portfolio — github.com/ahmed200-em

Professional Summary

Frontend developer focused on building clean, responsive, and pixel-perfect interfaces with strong attention to user experience. Skilled in HTML, CSS, and JavaScript, with hands-on experience in version control workflows and backend API integration to deliver complete, functional web applications. Continuously learning new web technologies and applying UI/UX best practices to turn ideas into modern, production-ready interfaces. Open to collaborative projects and new opportunities in web development.

Technical Skills

Frontend: HTML5, CSS3, JavaScript (ES6+), Responsive & UI/UX Design

Backend & APIs: Node.js, REST APIs (Google Books API)

Tools & Workflows: Git, GitHub, Version Control, Collaborative Problem Solving, Collaborative Leadership

Key Projects

TaskFlow – Kanban To-Do App

- Building a three-column Kanban task manager (To Do, Doing, Done) using HTML, CSS, and JavaScript
- Leveraging LocalStorage to persist task data across sessions without a backend dependency

ReadSwap – Book Discovery App

- Developing a Node.js application integrated with the Google Books API
- Fetching and dynamically displaying literary data to support real-time book search and discovery

Vision Care Website

- Designing a responsive frontend interface for an eye-care clinic, including exam information layouts
- Building an appointment booking workflow to streamline the patient scheduling experience

Professional Experience

MolenGeek

Al Hoceima Province, Morocco

Frontend Developer Trainee

April 2026 – Present

- Building frontend projects using HTML, CSS, and JavaScript within an intensive, hands-on coding program
- Collaborating with peers on coding exercises and problem-solving challenges to deliver functional solutions
- Leveraging Git and GitHub workflows to manage version control and support collaborative development

Education

Université Abdelmalek Essâadi, Tétouan

Morocco

Licence d'Études Fondamentales en Sciences Mathématiques et Informatique

October 2021 – June 2024

Certifications

Introduction to GitHub Concepts – DataCamp

Web Development Primer – DataCamp
